

[FCC Publication and Comment Schedule](#)

[FCC Forum](#) is the process for new and revised [Food Chemicals Codex](#) public review and comment. All proposed standards and revisions for the FCC are first posted in the free, online FCC Forum for a 90-day public comment period. Once revisions or new standards are approved by the [Food Ingredients Expert Committee](#) they are published in the FCC main edition or its Supplements. The table below shows applicable FCC Forum comment periods, targeted publications, and publication dates.
