In January 2026, USP plans to discontinue the use of “Current DocID,” “Previous DocID,” and “DOI ref” found at the bottom of the Documentary Standards pages in *USP–NF/PF Online*, *Food Chemicals Codex*, *FCC Forum*, and *DSC Online* products. This change is expected to be effective January 11, 2026.

With this change, users will no longer see the current and previous DocIDs or DOI ref as displayed. The DOI information will remain, if available.
