Food Chemicals Codex Forum

The *Food Chemicals Codex (FCC) Forum* is a free online resource in which proposed revisions to the FCC compendium are published for review and public comment.

All comments are made available to all interested parties to ensure a transparent and scientifically rigorous process that culminates in the final approval by a group of independent, established scientific experts: the Food Ingredients Expert Committee.

The forum is open every year from June 30th to September 30th and December 31st to March 31st.
