
[Food Chemicals Codex Compendial Notices](#)

Food Chemicals Codex (FCC) Compendial Notices are designed to inform stakeholders of the changing status of FCC monographs, general tests and assays, and other FCC standards-setting initiatives. Compendial Notices include General Announcements, Notices of Intent to Revise, and Publications Corrections.

Notices are generally posted at the end of the month, but can be posted at any time depending upon the urgency of the notice. The "New Notices" section includes the most recently posted Compendial Notices in chronological order.

General Announcements

General Announcements are posted on USP's website to provide *FCC* users with general information about the *FCC*, Supplements, *FCC Forum*, or other USP standards-setting activities related to food standards.
